

Science SATURDAYS 2021

Join us as we embark on a scientific journey. These FREE shows will spark creativity and curiosity as children and families watch science mystery unfold!

STAY UP-TO-DATE WITH SCIENCE SATURDAYS. LIKE OUR PAGE AND JOIN OUR GROUP @  /SCIENCESAT

2021 Schedule

March 13th

Cyber Science

cybersecurity, surveillance, face recognition, encryption, and Web safety

May 8th

Science Gone Viral

viruses, vaccines, healthy habits, and antibodies

After the show, join us for a **Capture the Flag** competition with our partner **cyber.org** from **March 19-21**. Use the information you learned from our show to answer questions for points. Check back each day for new questions. Register at sciencesaturdays.ctfcyber.org Winners will be announced on our Facebook page on March 22.

Join us on zoom after the show!
